# *ImaginePay*<sup>TM</sup>

---

An online payment portal  
designed to simplify the patient  
payment experience.

AGILE. ACCURATE. AUTOMATED.

ImaginePay™

## IF YOUR PATIENTS' PAYMENT EXPERIENCE ISN'T AN INTEGRAL PART OF YOUR BILLING PROCESS, IT SHOULD BE.

*ImaginePay™* is designed to simplify the payment process for both patients and providers. *ImaginePay™* automates payment scheduling and allows patients to pay for their medical bills at no additional cost to you. We have a centralized platform that allows for easy and secure payments to be processed anywhere an internet connection is available. Boost your collections and improve your relationship with patients through *ImaginePay™*.

### KEY BENEFITS

Convenient for providers & patients`

Secure and compliant platform

Mobile friendly

Patient payment services dashboard

Reduced days in A/R

*“The seamless integration of our RIS with the ImaginePay™ platform helps us accomplish all our goals very efficiently and achieve 26% higher collections with 40% lower AR.”*
